

# Spanky's In-House!

## Having A Party?

If you're planning a rehearsal dinner, luncheon, business meeting, mixer or other function, Spanky's offers two private rooms upstairs that can be rented separately or together for on-premise catering.

With a private bar, entrance, and restrooms, this space is ideal for larger groups. Each room seats 35 to 40 people and can be joined for groups of 70 to 80. For mixers and cocktail parties that require less seating, we can accommodate 100 people.

Please note that our banquet rooms are located upstairs. We regret that there is no handicap access.
